Sorry we were cut off. I imagine you were on your way in to see the Administrator.

One proposed meeting that Embassy and Bruno Leoni are having different setting up is Provincial/Municipal Roundtable which they cannot find a welcoming audience for.

FYI.. Just got word from Ryan (through Jane) that we should pursue Australia in early September given that Australian Parliament will be out of session in August.

Good morning Kevin and Millan,

Had a great call with Embassy/Canberra last night and this is going to be an excellent mission for the Administrator.

However, they did warn that we will not get as high level attention from Parliament, Judiciary, Ministry, and possibly Prime Minister if Administrator arrives in August versus September. I'll fill you in on details when I see you for Vatican call later this morning.

Mark
